NEWLY-PROMOTED PATROL CAPTAIN

CAPT. ERIC FRENCH

Officers have seen an increase in fraud and scam reports. Here are some ways to protect yourself:

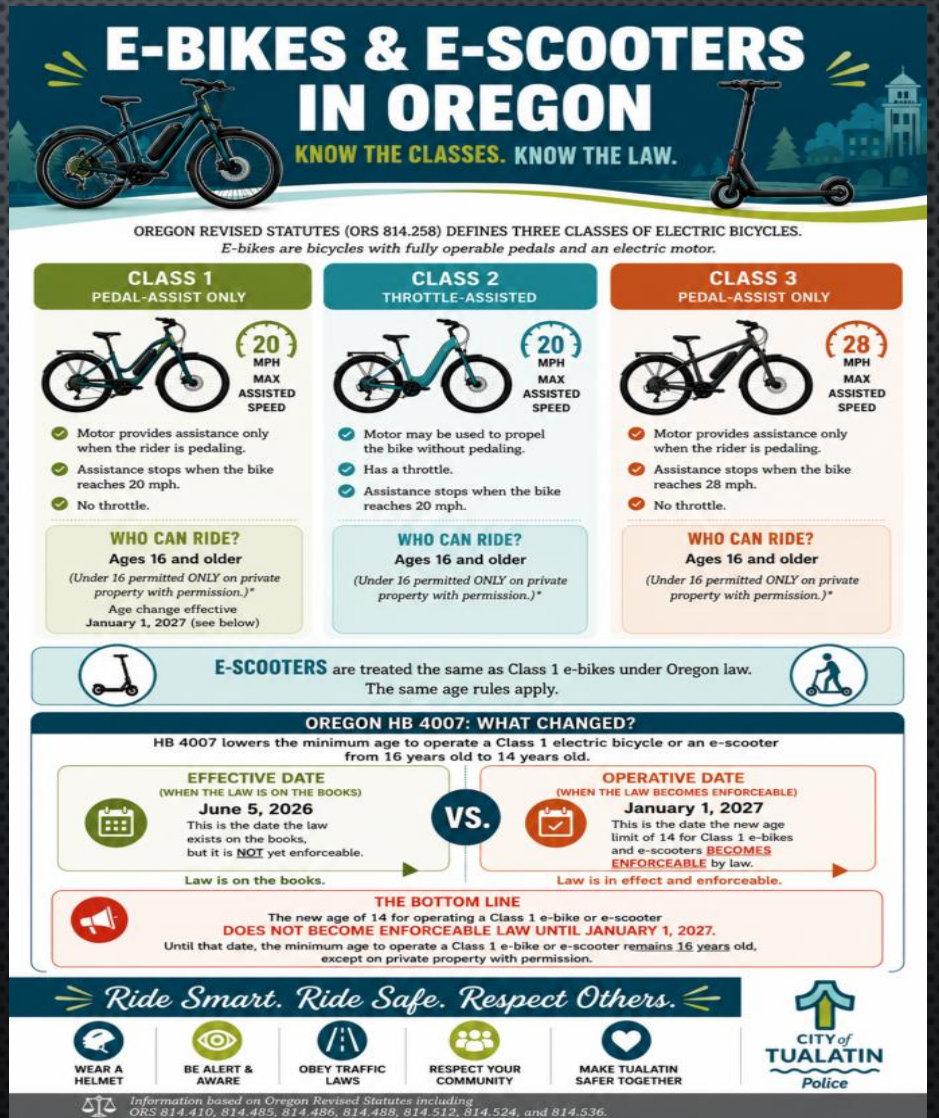

- Don't allow purse/wallet out of your sight.
- Don't carry all of your credit cards at the same time, same with your SSN card.
- Have a way to access your online banking anywhere so you can check activity if your card is lost or stolen.
- Check credit card readers for skimmers.
- Don't answer suspicious phone numbers, if you do, don't volunteer information.
- Don't respond to suspicious emails, texts or click strange web links.
- If someone asks you to buy gift cards or deposit in a bitcoin ATM as a form of payment… it's a scam!
