

Commercial Community Involvement Organization (CCIO) Fact Sheet

The Commercial CIO (CCIO) is a volunteer group of local businesspeople with diverse skills whose combined efforts have created a direct link to city administration to resolve issues facing the Tualatin business community.

We're here to help you resolve what you may not have the “time or energy” to tackle alone. All members of the Tualatin business community are welcome to present any issues that impede their ability to make Tualatin a vibrant business environment.

We're so happy you're interested in getting involved with our work here at Tualatin Commercial CIO (CCIO). There are many ways for you to help, and we truly appreciate each and every effort.

We are managed by a volunteer board. Our next annual meeting is scheduled for November 18, 2026. The agenda is Meet Your New City Council. Our current board members are:
